Breeding Shed Schedule and Information

Our breeding shed will open on Monday, February 18, 2019 and close Saturday, July 6, 2019.

The Stallions will be collected on Monday, Wednesday, Friday and Saturday.

The call-in time is up to 10:00 AM (Eastern Time) on breeding days.

Shipped Semen

Overnight shipments will be done within the US and Canada and will be shipped by Federal Express.

Shipments will be done on Mondays, Wednesday, and Fridays only. Please contact Federal Express to check the availability of Saturday deliveries in your area.

A Federal Express Account is preferred but shipped semen can be done with pre-approved credit.

Trailer Breeds

Mares that are trucked to us to be bred on breeding days will be accommodated up to 5:00 PM. Breed must be called in.

Semen Pick Up

Semen can be picked up on breeding days (a suitable container should be brought or one will be provided by us at your expense). Breed must be called in.

Special Needs

Special needs can sometimes be accommodated depending on schedule and circumstances. Please call early to discuss.
