⁻ Foals reported as having died before July 1st of their two-year-old year are marked DIED in the Last Raced field. They must be unraced and never bred.

⁻ Foals marked with an asterisk (*) have been exported

⁻ Best Beaten Time (BT) is the fastest time at the mile standard distance for a race that the horse did not win. Only best beaten times (BT) which are faster than the horse's lifetime record, or if the horse doesn't have a record, are displayed here; to see complete detail on best beaten times (BT) for an individual horse, please view the horse's Performance report. Fastest Times are only available for horses foaled from 1990 or later.
