⁻ Foals reported as having died before July 1st of their two-year-old year are marked DIED in the Last Raced field. They must be unraced and never bred.

⁻ Foals marked with an asterisk (*) have been exported

⁻ Best Beaten Time (BT) is the fastest time at the mile standard distance for a race that the horse did not win. Only best beaten times (BT) which are faster than the horse's lifetime record, or if the horse doesn't have a record, are displayed here; to see complete detail on best beaten times (BT) for an individual horse, please view the horse's Horse Performance report. Fastest Times are only available for horses foaled from 1990 or later.
